There's History in your Closet!

**What will happen to your pedigrees, photos,
correspondence, medallions and books?
Will they be trashed?**

By gifting your dog related records to the Canine Research Collection at Oregon State University, you'll keep them together and they'll be available for researchers of purebred dogs and the people who love and compete with them.

You can also help with this project by donating to the Canine Collection's foundation.
